Worship Leaders: Martha Lawley and Carolynne Brown.

Martha is the author of *Attending the Bride of Christ: Preparing for His Return*, a women's Bible study. Martha has been blessed with many opportunities to lead women's conferences and retreats nationwide. Martha's greatest desire is to provoke women to look at things differently - to step outside their usual ways of thinking so they may see things from God's perspective and allow Him to reorder their lives accordingly.

Carolynne presents an honest vocal portrait of a Christian desiring intimacy with God. Her knowledge of Scripture is evident, as is her optimism in the future. Music is one of her greatest passions, especially music that sings of God's goodness. She loves to sing with other believers in meaningful worship. When Carolynne leads, she strives to incorporate biblical and creative elements that inspire a fresh response to God.
